ALEX MORRELL

SKILLS

- **Front-end (HTML, CSS, JavaScript, React)**
- **Back-end (Node.js, Express.js)**
- **Database systems & management (PostgreSQL, SQL)**

OBJECTIVE

Secure a position as a web developer at a forward-thinking company where I can utilize and build my skills in HTML, CSS, and JavaScript to build intuitive, user-friendly websites while contributing to the growth and success of the company.

EDUCATION

The Complete Web Developer 2023 | Jun - Dec 2022 | Zero to Mastery Academy

Online course taught by Andrei Neagoie. Learned the best, most relevant and up-to-date practices to build full-stack websites from scratch.

Instruction in HTML, CSS, JavaScript, Git, GitHub, Bootstrap, JQuery, React, Node.js, Express.js, SQL, PostgreSQL, REST API's, NPM, HTTP, JSON, AJAX, command-line/terminal operations.

Bachelor of Science - Kinesiology | 2016 | University of Nevada, Las Vegas

Cum Laude Honors Graduate

WORK EXPERIENCE

Forestry Tech/Plumas Hotshots | USDA | 2019-2021

Three years running a chainsaw on a hotshot crew. Skills/qualities gained: mental endurance, attention to detail, teamwork, leadership, adaptability, problem-solving, communication, and time management.

Physical Therapy Tech | Optimal Physical Therapy | Jun 2016 – Jun 2017

Skills/qualities gained: patience, compassion, and empathy for others.

VOLUNTEER EXPERIENCE

Crew Leader | Utah Conservation Corps | May – Oct 2018

Led a crew of eight doing conservation work in the Utah backcountry. Learned how to communicate effectively, plan strategically, and motivate others to find the value in hard work.
